### **Toyo Racing 2019 program**

Toyo Tire Canada has modified its marketing program for 2019. Registration to Team Toyo Racing does not exist anymore and there will not be the automatic 40% reduction on the retail price of the racing tires. Every Toyo retailer will set its own price for race tires.

Support our sponsor TALON TIRE when buying your R tires.

To be eligible to the contingency program, you must register for the Track and Time competition licence. We will send the list of licensees to Toyo Tire Canada.

There will also be special rebates on the Proxes R1R tire. Keep an eye on Track and Time mailings.

Toyo Tire Canada will have the following prizes at the end of the season to registered participants who are classed overall (all classes combined):

1<sup>st</sup> place: One set of 4 tires of the R series or R1R according to the tires used by the participant.

2<sup>nd</sup> place: a gift certificate in the amount of 300\$ for the purchase of Toyo R tires

3<sup>rd</sup> place: a gift certificate in the amount of 200\$ for the purchase of Toyo R tires
